YAC Visit to Neatishead Radar Museum

On 6th July 2024 members of the Young Archaeology Club visited RAF Neatishead. They were able to explore the various historic displays and exhibits, including sitting in the cockpit of a Tornado and Jaguar and were given two presentations by Museum Volunteers in the WW2 Radar Control Room and Cold War Operations Room. The development of Radar was explained, along with how the data was used to chart the movement of aircraft during WW2, including during the Battle of Britain. Members learnt that staff in the RAF Operations Room could interpret signals from Radar, then used a Sector Clock to aid the chronological monitoring and position plotting of German aircraft.

The Sector Clocks were divided into coloured sections, each showing 5 minute intervals, which corresponded to coloured arrows on the large circular map tables.

The large map table, known as the "Fighter and General Situation Table". This was used to collate enemy targets, and then organise fighter squadrons to intercept them.

YAC members were also allowed to explore the Cold War Command Centre: As well as being allowed to press numerous buttons, switches and controls, members were able to have a go at writing on the "Tote boards". These were used by crews in the Operation Room to record positions of aircraft and missions. They were back lit, unlike modern screens, so users had stand behind them and write the information backwards. Some of our members had a go!

Publication of the Great Yarmouth Local Plan (Pre-Submission Document) - Consultation Period: 6th December 2024 to 31st January 2025

Great Yarmouth Borough Council is preparing a new Local Plan to replace the existing Core Strategy and Local Plan Part 2. Great Yarmouth Borough Council published the Final Draft Local Plan under Regulation 19 of the Town and Country Planning (Local Planning) Regulations 2012 on 6th December 2024. The new Local Plan sets out a strategy for the development of the Borough over the period to 2041, the amount of new development needed, and determines where that development will go and how it should be delivered. The new Local Plan contains planning policies that will be used in determining planning applications.

You are invited to make representations (comments) on the document between 6th December 2024 and 31 January 2025. Following the representations period, the plan together with all duly-made representations will then be submitted to the Secretary of State for independent examination. A Planning Inspector will then determine whether the Final Draft Plan is 'sound' and legally compliant by holding a public examination.

Please note that representations on the Final Draft Local Plan can only be accepted if they relate to 'soundness' and 'legal compliance', because this is what the Planning Inspector will be considering at the Examination in Public. These terms are explained in the Guidance Note which is available on the Council's website: <https://localplan.great-yarmouth.gov.uk/article/9963/Emerging-Local-Plan>.

The documents which have been published comprise:

- 1) **Final Draft Local Plan (Regulation 19)**
- 2) **Final Draft Policies Map (Regulation 19)**
- 3) **Supporting documents:**
 - a) **Sustainability Appraisal Report**, showing how the different potential options and potential effects of the plan were evaluated.
 - b) **Habitats Regulations Assessment Report**, showing how the potential impact of the Local Plan on internationally protected habitats and species was evaluated and is addressed.
 - c) **Consultation Statement**, detailing how the Council have considered comments on the Local Plan during previous stages of consultation.
 - d) **Other supporting and evidential documents**, forming the evidence base.

The documents are available to view on the council's website: <https://localplan.great-yarmouth.gov.uk/article/9963/Emerging-Local-Plan>. Inspection copies of all the consultation documents and comments forms are also available to view at the following locations:

Reception, Great Yarmouth Borough Council, Town Hall, Hall Plain, Great Yarmouth, NR30 2QF and some local Libraries, as detailed in the statement of representations procedure. A series of drop-in events will also take place on the following dates where planning officers will be available to talk about the consultation:

9th January 2025 – 10:00am to 6:00pm – Great Yarmouth Town Hall, Hall Plain

13th January 2025 - 4:00pm to 9:00pm – The Old School Village Centre, Green Lane, Bradwell.

15th January 2025 - 4:30pm to 9:00pm – All Saints Parish Hall, Beach Road, Scratby

An Online Webinar event where a presentation on the consultation would be given together with an opportunity to ask questions was due to take place on Thursday 12th December 2024, however the Webinar was subsequently postponed. The Online Webinar will now take place between 6:30pm and 8:00pm on Monday 6th January 2025. Please register your interest in attending by 5:00pm on Sunday 5th January by emailing localplan@great-yarmouth.gov.uk.

The quickest and easiest way to make comments on the Local Plan and supporting evidence is online at <https://localplan.great-yarmouth.gov.uk/article/9963/Emerging-Local-Plan>. However, if comments cannot be made online, they will also be accepted via email to localplan@great-yarmouth.gov.uk or by post to Strategic Planning, Great Yarmouth Borough Council, Town Hall, Hall Plain, Great Yarmouth, NR30 2QF. Comments by post or email should use the comments form which is downloadable from the Council's website. Please read the Guidance Notes before making a representation. Comments are also invited on the Sustainability Appraisal Report and Habitat Regulations Assessment. Comments on the Sustainability Appraisal and/or the Habitat Regulations Assessment do not need to be on the comments form and can be emailed or posted to us. Representors are advised that in making comments they are agreeing to the terms of the Local Plan Privacy Notice. All representations (sent by whatever means) must be received before 23:59 on 31st January 2025. Any representations received after this date may not be considered. Only representations received within this period have a statutory right to be considered by the Inspector at the Examination. Should you have any queries regarding the consultation please contact the Strategic Planning team, using the contact details below.
